

Gideon Goh
O-level Physics
Specialist

Gain the advantage over others for this year's

O-level Physics

by leveraging on my specialist knowledge, expertise and 25-year private tutoring experience in the subject.

Your Advantage and Benefits :

- ✓ You'll be tapping into my knowledge, expertise and 25-year experience of tutoring O-level Physics.
- ✓ You'll be mentored by a tutor who is extremely passionate about Physics and who is equally passionate about teaching you the subject.

My Academic Qualifications :

- ✓ Graduated from National University of Singapore (NUS) in 1992 with a Bachelor Degree in Electrical Engineering.
- ✓ Obtained Ministry of Education (MOE) Post-Graduate Diploma in Education (PGDE) in 2000, specialising in the teaching of Physics and Math.

My Teaching and Tutoring Experience :

- ✓ Was formerly Upper Serangoon Secondary School Physics and Math teacher. Taught Physics and Math to both mainstream and hearing impaired students at the O-level.
- ✓ Started tuition business in 1988 at the age of 21.
- ✓ Personally tutored more than 300 students on one-to-one basis over my tutoring career.
- ✓ Specialising in Physics and Math at both the O-level and the A-level. Occasionally taught Math to Poly students.
- ✓ Majority of my students scored A1 and A2 grades in their Physics and Math at O-level, enabling them to get into their desired courses at Junior Colleges and Polytechnics.

My Style :

- ✓ Passionate about passing on my Physics knowledge through small class tutoring to the next generation of students.
- ✓ Results-focussed and Go-getter. If you are not serious about your academic achievements, I am not interested in wasting your parents' hard-earned money.
- ✓ Believe in the spirit of excellence; to be the best that you can be.

Only the most dedicated achievers use my services
